SUMMARY

I'm a second-year Computer Science and Engineering (Core) student at SRM Institute of Science and Technology, Kattankulathur. I'm building my knowledge in programming, data structures, algorithms, and other core CSE subjects. I'm interested in exploring new technologies, improving my problem-solving skills, and applying what I learn in real projects. My aim is to grow both technically and personally so I'm ready for future career opportunities.
